ensemble™

is a brand of the Tereos Group.

COOPERATIVE
GROUP

GLOBAL
PRODUCER OF
WHEAT PROTEINS

+ 10 000
OF GROWERS

Tereos is **the leading global player in the sugar, alcohol, and starch markets, with recognized expertise in the processing of sugar beet, sugar cane, wheat, corn and alfalfa.**

With nearly **40 sites across 15 countries**, we are among **the largest producers of sugar and wheat proteins in the world**, and we are also one of the largest producers of starch-based products.

Tereos is a cooperative group of over **10,000 growers and around 15,000 employees.**

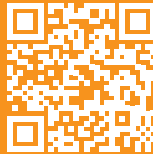

We offer our customers a diverse range of products for various markets, including food, energy, animal nutrition, green chemicals, pharmaceuticals, cosmetics, as well as paper and cardboard. Our product range includes sugar, sweeteners, starch and its derivatives, alcohol/ethanol, dietary fibers, and proteins, as well as seeds for animal nutrition.
